

# WADSWORTH UNITED PTO

## Wadsworth United PTO (Formerly WHYS United)

Membership Form 2016-2017

**Wadsworth United PTO** (Parent Teacher Organization) is a group of parents, families, teachers and administrators working together to enrich and enhance every student's academic experience. By joining Wadsworth United PTO (**just \$10 per family**) you are supporting activities like **Safety Town**, the city-wide **Fine Arts Festival**, scholarships, and the administration of the nine PTO units.

Each school has its own PTO unit which falls under the Wadsworth United PTO umbrella. These units provide programs, educational tools, and countless volunteer hours for the students and staff . Your membership in Wadsworth United PTO gives you membership and voting rights in each of your child(ren)'s school's PTO Units. This is a great opportunity to be involved in what's happening at your school(s).

Only **ONE** membership form and payment should be submitted per household, regardless of which school(s) your child(ren) attend.
