

## **State Support Team Region 8**

Our State Support Team (SST), assists school districts in our region to coordinate, integrate and align the school improvement efforts within the following areas:

- The academic performance of all students;
- Compliance with Federal and state requirements for improving results of students with disabilities and students at risk of being identified as disabled;
- Early learning and school readiness;
- Literacy; and
- Deployment of other state educational initiatives.

Many valuable resources are available at their website, linked below.
